

Synthesis

Il pianale ultraleggero

Punti di forza

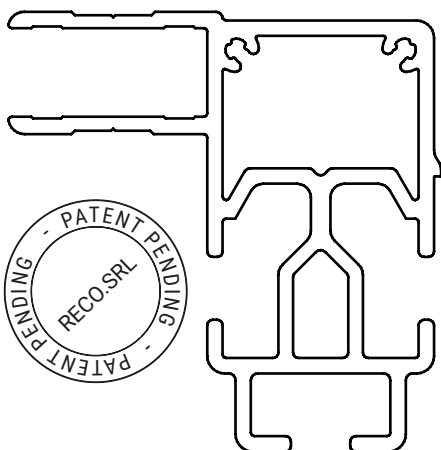

- Facile assemblaggio e gestione
- All-In-One Profilo
- Facile montaggio con soltanto una chiave a brugola
- Non occorre personale specializzato
- Struttura leggera perchè realizzato in alluminio
- Modularità
- Efficace soluzione in alluminio

Highlights:

- Easy construction and handing
- All-In-One Profile
- Easy assembly with just an allen key
- No specialized staff needed
- Light structure because made of aluminium
- Modularity
- Effective aluminium solution
